Speaker/Moderator

Prof Bobby S. Korn
Professor of Clinical
Ophthalmology
Professor of Clinical
Plastic Surgery
UC San Diego Health

Prof. Bobby S. Korn, MD, PhD is a board-certified ophthalmologist and oculoplastic surgeon with expertise in cosmetic and reconstructive eyelid and facial surgery, thyroid eye disease, orbital and eyelid tumors, lacrimal disorders, and post-cancer or post-trauma reconstruction. He completed his ophthalmology residency and oculoplastic fellowship at UC San Diego School of Medicine, where he served as chief resident, and earned his MD/PhD from the University of Texas Southwestern Medical School.

Prof. Korn is also an active researcher and educator, with numerous peer-reviewed publications and book chapters to his name, and serves as lead editor of the Video Atlas of Oculofacial Plastic and Reconstructive Surgery. He has received multiple prestigious awards from the American Academy of Ophthalmology and ASOPRS for his achievements in research, teaching, and clinical practice.

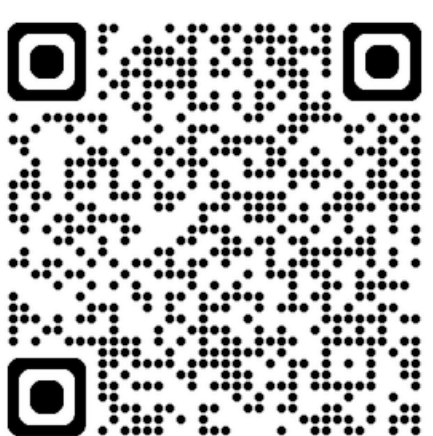

Chairperson/Panel

Dr Audrey Looi
Oculoplastic & Orbital
Surgeon
Medical Director
Ava Eye Clinic

Dr. Audrey Looi is a consultant ophthalmologist and oculoplastic surgeon with extensive expertise in oculoplastic, orbital, and lacrimal surgery, including the management of thyroid eye disease. She completed her ophthalmology training at the Singapore National Eye Centre (SNEC) before pursuing advanced fellowships in Oculoplastic, Orbital, and Ocular Pathology at the University of British Columbia under internationally renowned mentors, returning to Singapore with the Best Fellow Research Prize.

Formerly Head of the Oculoplastic Service at SNEC, Dr. Looi has held numerous leadership roles and remains an active contributor to ophthalmic education, research, and professional societies. She has published extensively, serves as an examiner for postgraduate ophthalmology examinations, and is currently President of the Singapore Society of Ophthalmic Plastic and Reconstructive Surgery. Dr. Looi is also a founding Board Director of iC2 PrepHouse, a charity supporting children with low vision.
