## PROGRAMME

Join us at The Endocrine Clinic GP Symposium for an enlightening exploration of crucial health topics and endocrine related diseases. Dr Ho Su Chin delves into Thyroid cases offering insights in Thyroid management. Dr Alvin Ng shares different approaches and options for Hypocalcemia management. Dr Liew Boon Wah offers insights on GLP-1 agonist treatment. Engage with leading experts for a comprehensive understanding of these vital topics. Don't miss out on this insightful symposium shaping the future of endocrine care.

## THE SPEAKERS

### Dr. Ho Su Chin | *Consultant Endocrinologist*

Dr. Ho Su Chin obtained the Master of Medicine in Internal Medicine and membership of the Royal College of Physicians (U.K.) in 1995. She further her HMDP training in molecular endocrinology at the Free University of Brussels, Belgium in 1999. After her graduating from her advanced specialty training at the Department of Endocrinology, SGH. She then embarked on the dual tracks of clinical care and medical research as a clinician scientist at the Singapore Health Service in 2002. She has been treating all aspects of endocrine and metabolic illnesses with autoimmune thyroid diseases as her field of interest.

### Dr. Alvin Ng Choong Meng | *Consultant Endocrinologist*

Dr Alvin Ng graduated from medical school at NUS and trained in endocrinology at SGH. His HMDP was in advanced endocrinology at the Mayo Clinic in Rochester, Minnesota, including a research fellowship with the Metabolic Bone Disease Core Group. He has served as a member of American Society of Bone and Mineral Research (ASBMR) Task Force on Atypical Femoral Fractures, and he is a current member of the SingHealth Centralized Institutional Review Board. His clinical practice encompasses the management of diabetes, dyslipidemia, thyroid disorders, ultrasound-guided fine needle biopsy of thyroid nodules, osteoporosis, hypercalcemia, vitamin D, parathyroid disorders, obesity, weight management, testosterone deficiency, and pituitary-adrenal disorders.

### Dr. Liew Boon Wah Matthew | *Consultant Cardiologist*

Dr Liew Boon Wah graduated from Medical school, NUS in 2003. He obtained his postgraduate qualifications in Internal Medicine from the Royal College of Physicians (MRCP (UK)) and the NUS (Masters in Medicine, Internal Medicine) in 2008. After completing his training as a cardiologist, he did his fellowship training in Interventional Cardiology at Kaohsiung Chang Gung Memorial Hospital, Taiwan). He has special interest in management of coronary artery disease as well as primary and secondary prevention of ischaemic heart disease. He is experienced in performing coronary artery intervention procedures for treatment of complex coronary artery diseases as well as skilled in interpretation of intravascular imaging techniques. Dr Liew is currently a fellow with the Academy of Medicine (Singapore), the American College of Cardiology as well as the Royal College of Physicians (Edinburgh).
